Charter of the Investment Committee of the Board of Directors of HomeTrust Bancshares, Inc. October 27, 2014

I. Statement of Policy

The Investment Committee (the “Committee”) of the Board of Directors (the “Board”) of HomeTrust Bancshares, Inc. (the “Corporation”) shall discharge certain of the Board’s responsibilities relating to the Corporation’s investment policies and strategies and is responsible for the approval of investment strategies and for monitoring the investment performance of the Corporation.

II. Committee Composition and Meetings

The Committee shall be comprised of three or more directors (including a chairperson) as appointed annually by the Board, considering the recommendations of the Governance and Nominating Committee, a majority of whom shall be independent directors as defined by the Nasdaq Stock Market listing standards. Each member of the Committee shall be financially knowledgeable, as such qualification is interpreted by the Board in its business judgment, including, at a minimum, having the ability to read and understand fundamental financial statements (including a balance sheet, income statement and cash flow statement). The Board shall have the power at any time to change the membership of the Committee and to fill vacancies, subject to the qualification requirements of this Charter.

The Committee shall meet at least three times annually or more frequently as circumstances require. The Committee chairperson shall prepare and/or approve an agenda in advance of each meeting. The agenda and information concerning the business to be conducted at each meeting shall be provided to the members of the Committee sufficiently in advance of each meeting to permit a meaningful review. If the chairperson is not available for a meeting, the other members of the Committee may appoint a temporary chairperson for such meeting by vote of a majority of the full Committee. The Committee may request that any directors, officers or employees of the Corporation, or other persons whose advice and counsel are sought by the Committee, attend any meeting of the Committee to provide such pertinent information as the Committee requests. Members of the Asset/Liability Management Committee (ALCO) may attend Investment Committee meetings as necessary to discuss the current investment portfolio, review investment strategies, and share other pertinent information. ALCO will include the Chief Executive Officer, Chief Operating Officer, Treasurer, and other senior executives as deemed appropriate. The Committee shall meet without Executive Officers (as defined in NASDAQ Listing Rule 5605(a)(1) or any successor rule) in attendance as often as deemed appropriate but no less often than annually.

The Committee shall maintain minutes of meetings and report regularly to the Board on the Committee's activities. The provisions of the Corporation's bylaws regarding Board committees, including committee meetings (including meetings by conference telephone or similar communications equipment), action without meetings, notice, waiver of notice, and quorum and voting requirements, shall apply to the Committee. The Committee is authorized and empowered to adopt its own rules of procedure not inconsistent with (a) any provision of this Charter, (b) any provision of the bylaws of the Corporation, or (c) the laws of the State of Maryland.

The Committee may form subcommittees for any purpose that the Committee deems appropriate and may delegate to those subcommittees such power and authority as the Committee deems appropriate; provided, however, that: (a) no subcommittee shall consist of fewer than two members, and (b) the Committee shall not delegate to a subcommittee any power or authority required by any law, rule or regulation to be observed and/or exercised by the Committee as a whole.

III. Committee Duties, Responsibilities and Process

The Committee shall have the following responsibilities:

- (1) Consult with management and ALCO as needed; however, the execution and implementation of investment policies and strategies shall be the role of ALCO and not of the Investment Committee.
- (2) Establish prudent policies and strategies for investment securities, and monitor compliance with those policies.
- (3) Ensure that the Corporation has the necessary staff expertise to engage in investment activities by approving the members of ALCO.
- (4) Periodically review and approve a list of securities firms with which management has the authority to do business.
- (5) Periodically review and approve limits for the amount and types of transactions to be executed with approved firms.
- (6) Review current market conditions and the interest rate cycle to monitor the effects of these conditions on the Bank's current and future investment strategies.
- (7) Approve policies and strategies for managing and controlling interest rate risk and other risks associated with asset/liability management activities.
- (8) Monitor overall compliance with approved asset/liability management policies and procedures.
- (9) Approve and monitor new investment strategies as presented by ALCO.

- (10) Approve and monitor the financing sources used by the Bank to support its growth and asset/liability strategies.
- (11) Perform other activities or other investment oversight functions that may be appropriate in light of changing business, legislative, or regulatory conditions.
- (12) Review and reassess the adequacy of this Charter at least annually, and recommend any proposed changes to the Board for its approval. Ensure the publication of this Charter in accordance with SEC regulations.
- (13) Discharge any other duties and responsibilities delegated to the Committee by the Board from time to time.

IV. Investigations and Studies; Outside Advisers

The Committee may conduct or authorize studies of or investigations into matters within the Committee’s scope of responsibilities (including, without limitation, reviews of industry analyses and peer comparisons), and may retain, at the Corporation’s expense, such counsel or other advisers as it deems necessary (which may, if the Committee deems it appropriate, be the Corporation’s regular counsel or advisers).

V. Charter for Investment Committee of Board of Directors of HomeTrust Bank

This Charter shall also serve as the charter of the Investment Committee of the Board of Directors of HomeTrust Bank NA (the “Bank”) to the extent its provisions are applicable to the Bank, has been adopted as such by the Board of Directors of the Bank and shall supersede in its entirety any prior charter of the Investment Committee of the Bank’s Board of Directors.
